Dear Mr. Shapiro:

On March 17, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 5, 1999, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response indicates that the \$1500 contribution to the Ben Nighthorse Campbell for Senate Committee was intended to be used for General Election Debt Retirement. Based on the reports filed by the Ben Nighthorse Campbell for Senate Committee it does not appear that there were any outstanding General Election debts at the time that the contribution was made. The contribution should be redesignated for a future election or you should notify the recipient and request a refund. Please inform the Commission of your corrective action in writing and provide a photocopy of any refund request sent to the recipient committee. Note that redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignations are made. Refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which the refunds are received. Please clarify any corrective action taken regarding this contribution.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Scott Francis on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson", with a long horizontal flourish extending to the right.
